Project Winter Survival and the homeless need your help now! Winter is on its way whether we like it or not and come December there will be very harsh weather conditions for the homeless and the less fortunate who are living on the streets. Project Winter Survival is now in its 13th year and without it, people will freeze to death. These kits include 'necessities for the needy'TM and in order to reach our goal of 3,000 kits, we need **your** help!!!

Here is how you can help: for a cash donation of only **\$25.00**, you can provide a kit valued at approximately **\$165.00** which will help keep someone alive and warm this winter. Just think, by donating \$100.00, you can help 4 people survive through the winter months! We're able to do this at such a low cost due to the many generous product donations we receive.

All donations received by Dec. 20th 2011 will be eligible to receive 2011's tax receipt
